What is the declaration/announcement date?

The declaration date is the date on which the board of directors of a company announces the next dividend payment. This statement includes the dividend's size, ex-dividend date, and payment date. The declaration date is also referred to as the announcement date.

This document is an operational communication and should not be regarded as a financial promotion.

Vanguard Group (Ireland) Limited has implemented the EU Sustainable Finance Disclosure Regulation (EU) 2019/2088 ("EU SFDR"), as appropriate. Vanguard has introduced an internal product classification framework that helps to identify whether certain Vanguard funds promote, among other characteristics, environmental and/or social characteristics, or whether a fund has sustainable investment as its objective. Vanguard also considers the degree to which sustainability risks are integrated into the investment decision making process. Statements explaining Vanguard's approach to the integration of sustainability risk, including into its remuneration policy and a transition statement to support the consideration of Principal Adverse Indicators (this is the impact of its investment decisions on sustainability factors, commonly referred to PAI), will be available on the policy page of Vanguard's global website.

Dividend payment dates are set by the London Stock Exchange (LSE) and may be subject to change. Dividends are payable to the Income Shareholder of record on the record dates as shown in the table above. A Shareholder can elect to receive income distributions in cash or reinvested in the Fund. Net asset values for ETFs will be published on all LSE trading days.
